2. Basis of Preparation of Financial Statements

These interim financial statements should be read in conjunction with the Financial Statements for the period ended June 30, 2017 (hereafter referred to as the "Annual Financial Statements"), as they provide an update to previously reported information.

The accounting policies used are consistent with those used in the Annual Financial Statements. The financial statements have been prepared in accordance with the International Financial Reporting Standards (IFRSs). The presentation of the Interim Financial Statements is consistent with the Annual Financial Statements. Where necessary, the comparatives have been reclassified or extended to take into account any presentational changes made in the Annual Financial Statements. The preparation of the Interim Financial Statements requires management to make estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities at the date of the Interim Financial Statements. If in the future such estimates and assumptions, which are based on management's best judgment at the date of the Interim Financial Statements, deviate from the actual, the original estimates and assumptions will be modified as appropriate in the period in which the circumstances change.
